That's not true. The soylients will only pick at the edges after dusk. When we show up in mass, they hide. Hunting them down after dark is good sport though.

I've been thinking. Will this be a protest or a celebration? Maybe details will come out that at that point will leave no option other than Trump be inaugurated for another term.

Don't get me wrong--I'm definitely going. I have hotels booked for two nights. I got my flag. I know DC pretty well since I've been to three events in the last three months.

But I'm really angry that this is necessary. Fuck the Democrats AND Republicans; I just wanna be at home planning my kids' birthday parties. But, NOOOOOO I gotta go to the city and fight fight fucking commies and deep state traitors.

I read the regs, and tools that could be used as a deadly weapon are at officers discretion. I'm gonna try it. I'm sticking a stuffed elephant on my pitchfork, might make em laugh a little and let it pass. I've noticed that the DC metro cops are hands off, focused on street blockage & buildings they guard. Seems like they don't even want to be involved in altercations the last 2 Trump protests there. The more people we have, the more they just worry about agitating a riot.

2/18/2021 Trump has REPEATEDLY asked us to be in D.C. on January 6th to support him. Our Country Needs Us. Our Children Need Us To BE THERE. STAN... Please. It is not enough to spread this on tdw. We know about this already. What is important is to spread this on fb, twatter, and anywhere and everywhere. Many conservatives don't even use tdw or have even heard of the rally. It is not too late, though, so get the word out today.

Just to be an asshole, but if 1/6/2020, is CW2 - do we want ALL our most dedicated combat power in a hostile zone? Plenty of other strategic targets nationwide that would need attention should shit pop off.
